## CareProfile Disclaimer

Information provided through the CareProfile includes only information submitted to participating insurance companies for payment purposes. The information is not a medical report, nor is it intended to be a complete record of a patient's health information. Certain information may have been intentionally excluded (due to its sensitivity – psychiatric, substance abuse, HIV/AIDS, sexually transmitted diseases, and abortion related data – or for other reasons) and the health record may also contain errors. Physicians must use their professional judgment to verify this information and should not exclusively rely on this information to treat their patients.
